

Round Drop

Description

The FTTH Round Drop Cable features tight-buffered fiber available in various colors. It is ideal for a wide range of indoor and outdoor fiber optic distribution and patching applications, and can also be terminated with an SC/APC shutter connector for enhanced protection and performance.

We also can provide with the termination box, pre terminated to eliminate the labor cost

Spec.

Fiber Counts	1	2
Fiber Color	Natural	
Tight Buffer (mm)	0.9 ± 0.1	
Tight Buffer Color	White	Blue, Orange
Strength member	Aramid Yarn + Water Blocking yarn	
Cable O.D.	3.0 ±0.2mm	4.5 ±0.2mm
Jacket Color	Aqua, Yellow, Orange, Black	
Jacket Material	LSZH / PVC	
Flammability	OFNR (In/Outdoor) / Dca	
Weight (kg/km)	~9 kg/km	
Max. Tensile Load	≥300N	
Mini. Bend Radius	~10 Ø(Cable O.D.)
